BREXX usage Information by Vasilis.Vlachoudis

This is a FREEWARE program, as long as it is used for NON COMMERCIAL purpose. But any generous contribution is well accepted :) to help to keep this project alive. It is still FREEWARE if it is included as a part (macro language) for another FREEWARE product.

For commercial use, the registration fee is \$50 (for version 2.x and above). Furthermore, if you want to include it as a macro language in one of your shareware/commercial program, you have to contact the author **Vasilis.Vlachoudis@cern.ch**. For more information, please contact me by e-mail on one of the above addresses.

All rules mentioned above apply to BREXX/370!
